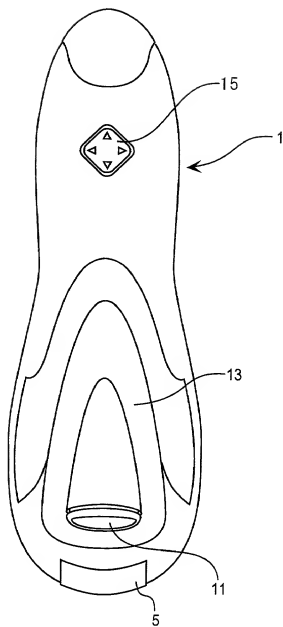

FIG. 17

Figure 1 illustrates a handheld device 10, such as a PDA, equipped with a screen 11. The device features a display 13 and a stylus 15. A callout 30 provides a sample screen display. The screen content includes a menu with the text "Research and Development Department HomePage", a status bar indicating "This page has been accepted" and "times since November 5, 2001", and a section titled "<INFORMATION>" containing links for "Introduction (UP Nov. 3)" and "Search System".
